**Bishop Gainer Releases Statement in Response to SCOTUS Ruling  
on *Dobbs v. Jackson Women’s Health Organization***

**HARRISBURG, Pa.** – *Today, Most Rev. Ronald W. Gainer, Bishop of Harrisburg, released the following statement in response to the Supreme Court of the United States’ ruling on Dobbs v. Jackson Women’s Health Organization:*

“The Catholic Church has long taught that all life is a precious gift from God. This life is to be protected and respected from the moment of conception to that of natural death. Today’s ruling from the Supreme Court in the *Dobbs v. Jackson Women’s Health Organization* is an important step in furthering the protection of the most vulnerable, infants in the womb. As a pro-life Church, not only do we support parents facing an unplanned or difficult pregnancy, we also continue our efforts to support the needs of the elderly, the poor, the sick, the imprisoned, the refugee and immigrant, and those who have been marginalized.

“It is my prayer that as we face the uncertainties ahead, we can do so peacefully, working together to respect the concerns of our brothers and sisters, while also striving to build a society where all life is protected.”
