

INTERCESSORY PRAYER MINISTRY

Who do you talk to when life brings great joy or great pain? Or when you need some support? Or when someone you love is struggling and you wish you could do more?

Many of us turn to God in prayer, and some may have a few people we can call upon to pray for us. But just imagine if your prayer were joined by the people of our parish family, so your prayer becomes our parish's prayer.

Imagine the transformation God would bring -- in us, and in those praying with us.

We don't understand how prayer works, but we know that God calls us to pray.

And God only calls us to the best, the most beautiful, and the most fruitful things. The Intercessory Prayer Ministry is here to help all members of our parish answer that call.

- Using the power of prayer to do God's work
- Responding to God's call to intercede for others
- Encouraging all to pray

WE NEED YOUR HELP:

- allowing us to pray for the requests you have in the year ahead by submitting them to dadblessed1@gmail.com**
- joining our prayer team and getting daily prayer request emails**
- helping to circulate prayer requests to our prayer team members**
- parents: joining CatholicParentsBlessed distribution list and getting a reminder each day to pray for the faith of your children**

Interested in any or all :) of the above? Then contact Paul Zabroske at dadblessed1@gmail.com today!
